

2009 Bill Perreau Memorial Postal Championship Information

Attached are this year's BPMPPC program and entry form.

There are a few changes from previous years of special note. For the first time this year the WA1500 matches are included, and there have been some re-arrangements to the usual program, giving an extended period for competitors to fire their selected matches.

Importantly, this will be the last postal mailout of entry form, program and information. From now on this information, along with regular results updates, will all be located by visiting the Competitions tab on Pistol Australia's website, www.pistol.org.au.

Individual Awards

As before, each competitor will receive the 2009 BPMPPC Brassard, and medals are awarded for 1st to 3rd places in each grade and for Seniors (ungraded).

Aggregate awards are made for the Five ISSF matches, Womens Three ISSF matches, Junior Two ISSF matches, Two Black Powder matches, Three Service Pistol matches and Two WA1500 matches.

Team awards.

There is a teams competition held in all matches, with no entry fee for any team.

Teams are of three persons for ISSF matches and Service Pistol matches and two persons for each of 25m Sport Pistol Women/Juniors, 10m Air Pistol for Women/Juniors, Black Powder and WA1500 matches.

Clubs may submit as many teams as they wish but each club member may be in one team only. All team members named must submit an individual entry in the applicable event.

Teams are graded according to the *highest grade* of any member of the team.

The Team competition is graded and team members of the first three teams in each grade receive a certificate of merit as well as a certificate for the club.
