See reverse for common infringements and irregularities

COMMON IRREGULARITIES & INFRINGEMENTS

Malfunctions – rule 6.13

Check whether it is ALLOWABLE (i.e. it is not something the competitor could have reasonably avoided)

- **If ALLOWABLE** – competitor may repair or replace the pistol but no extra time is given. Extra sighters may be allowed if requested.
- **If NON-ALLOWABLE** – while the competitor may be able to repair the pistol he will not be permitted to replace it, nor will any extra sighting shots be permitted.

Load two (2) pellets – rule 6.11.2.4

- **Unfired** - if the competitor realizes what has happened he must signal the RO who must then oversee the unloading of the gun. No extra time is allowed & there is no penalty.
- **Fired** - if the competitor does not realize until after he has fired the 2 pellets he must signal the RO. If there are 2 hits on the target the highest scoring value shot is credited to the shooter and second shot (i.e. the lowest scoring value shot) is annulled. IF there is only one hit on the target it is counted. No extra time and no penalty.

Target failure

- The procedure for a failure a single target 6.10.9.2
 - Move the shooter
 - Allow additional sighters and extra time of 5 minutes
- The procedure for a failure of all targets 6.10.9.1.
- Complaint about a shot value 6.10.7
- Failure to register a shot 6.10.9.3

Dry Firing – rule 6.11.2

Dry Firing without expelling propellant is permitted whenever pistols are able to be handled
Expelling propellant

- **Before the start of Preparation and Sighting** time will incur a warning for the first occurrence, a 2pt penalty for the 2nd time and may be disqualified if it happens again
- **During Preparation and Sighting time** – allowed
- **During the Match** – will count as a shot and be scored as zero.
