

ISSF – PA VARIATIONS RULE CHANGES

These changes may be pasted into the current book.

6.7.4.4 Mobile phones and other such devices (e.g. Smart watches) may be used as timers and must be inactive (i.e. flight mode or no SIM card, wi-fi and Bluetooth disabled) so that no disturbance can be caused to others.

8.9.1 1st para unchanged

Only one (1) malfunction (ALLOWABLE) may be refired/completed during each MATCH stage(s) of a 25m Pistol event as follows:
