The Ready Position

COMMON IRREGULARITIES & INFRINGEMENTS

MALFUNCTIONS – rule 8.9.1

Check whether it is ALLOWABLE (i.e. it is not something the competitor could have reasonably avoided) – see rule 8.9.4 for examples

In the sighting series – rule 8.9.1 – PA variations

- **If ALLOWABLE** – competitor is allowed another sighting series to **complete** the unfired shots. This is fired immediately – i.e. before changing targets for the match.
 - Penalty for loading more than required is 2 pts, PLUS
 - Penalty for firing more shots than allowed is 2 pts per shot
- **If NON-ALLOWABLE** – no additional time or sighting shots will be allowed

In a competition series – rule 8.9.3a & b

- **ALLOWABLE** - the competitor is allowed one (1) re-shoot (8.9.1): This will be fired in the same time stage with the next series. Scoring is the lowest value hit on each target.
- **NON-ALLOWABLE** – there is no reshoot permitted

Pistol breaks (break and cease) – rule 8.9.2

If the pistol is broken – this must be verified by the RO – up to 15 minutes is allowed for the competitor to repair or replace the pistol. The malfunction is classed as allowable even if the shooter has tried to fix it themselves. **However**, if there has been a previous malfunction claim then this break is classed as non-allowable so that the interrupted series cannot be completed, but the unfired series may be fired. One additional sighting series is allowed.

INTERRUPTIONS – rule 8.8.1

Any shots fired in the series will be counted and the series will be completed. (this includes such things as the timer or targets failing).

If a competitor is interrupted for more than 15 minutes extra sighting shots are allowed.

DISTURBANCES - rule 8.8.4

- If the claim is justified the series may be annulled and the shooter may repeat the series.
- If the claim is not justified (including if the competitor has fired a shot after the alleged disturbance) then the series may be repeated.
- Scoring will be the lowest value hit on each target AND a 2-pt penalty must be imposed. (rules 8.8.4c & f)
